

Happy Hoopla Inflatable Waterpark - Slide Usage Rules

- 1. Adult Supervision Required:** Adult supervision is mandatory at all times while children are using the inflatable waterpark facilities. Parents or guardians must closely monitor their children's activities to ensure their safety.
- 2. Height Limit:** Users must not exceed a maximum height of 154 centimeters (5 feet 1 inch) to use the slide. This rule is in place to ensure the safety of all participants.
- 3. One Child at a Time:** Only one child is allowed on the slide at any given time. This rule helps prevent accidents and ensures a safe and enjoyable experience for all children using the slide.
- 4. No Climbing on the Structure:** Climbing on the sides or any part of the inflatable waterpark structure is strictly prohibited. Climbing can lead to instability and pose a risk to users and the inflatable's structural integrity.
- 5. Exit the Landing Area Promptly:** After completing their slide, children must immediately exit the slide landing area to make room for other participants. Linger in this area can impede the flow and potentially cause accidents.
- 6. No Climbing Up the Slide:** Users should never attempt to climb up the slide in the opposite direction. This activity is dangerous and could result in collisions or injuries.
- 7. No Food and Beverages:** For safety and hygiene reasons, no food or beverages are allowed within the inflatable waterpark area. Please enjoy snacks and drinks outside the designated play area.
- 8. No Sharp Items:** Keep all sharp objects, including toys, jewelry, and accessories, away from the inflatable waterpark to prevent punctures or damage to the inflatable's surface.
- 9. Follow Operator Instructions:** Follow any additional instructions given by Happy Hoopla staff or operators regarding the safe use of the inflatable waterpark. These instructions are for your safety and the safety of others.
- 10. Emergency Procedures:** In case of an emergency or if the inflatable waterpark starts to deflate, calmly guide all participants to exit immediately. Safety is our top priority, and your cooperation during emergencies is crucial.
- 11. Maintenance and Repairs:** If you notice any damage or issues with the inflatable waterpark during your rental, please inform Happy Hoopla immediately. Do not attempt to repair it yourself. Our trained staff will handle maintenance and repairs to ensure the inflatable's safety and longevity.
